Subject: Letter requesting extension of comment period for KCH
Date: Tuesday, May 21, 2013 11:25:50 AM

Cliff –

Justin informed us today on the mining call that a letter was sent to the Corps requesting a 45 day extension to the comment period.

Would you please forward a copy of the letter to the Region ?

Also, are you sending a separate letter to FHWA or was it a joint request.

Thanks,
Jeff
